THE PEARL EDUCATIONAL CONSULT - KAMPALA PRIMARY SEVEN SST SCHEME OF WORK FOR TERM ONE 2024
THEME: LIVING TOGETHER IN AFRICA

WK	PD	TOPIC	SUB TOPIC	COMPETENCES		CONTENT	METHODS	TEACHING/ LEARNING ACTIVITIES	INDICATORS OF LIFE SKILLS	INSTRUCTIONAL MATERIALS	REF	RE
				LANGUAGE	SUBJECT							
1	1	LOCATION OF AFRICA ON THE MAP OF THE WORLD	INTRODUCTION TO THE WORKD	The learner: Reads the reads the given words correctly. Spells new words correctly. Reads the given sentences correctly.	The learner; Defines terms like world, hydrosphere etc. Names continents of the world.	**INTRODUCTION TO THE WORLD.** Definition of terms like world, hydrosphere, atmosphere, globe, continent etc. Continents of the world in size and location.	Group work Guided discovery Excursion Excursion	Defining terms like world, hydrosphere etc. Naming continents of the world.	Critical thinking Appreciation Creative thinking Observation Effective communication Fluency Accuracy	World map	MK standard social studies pupils book 7 Comprehensive SST pupils book 7 The precise pupils book 7	
	2			The learner: Reads the reads the given words correctly. Spells new words correctly. Reads the given sentences correctly.	Mentions factors that make Africa different from other continents. States factors that kept Africa unknown to the rest of the world for a long time. Names water bodies neighbouring Africa. Identifies continents neighbouring Africa in different directions.	**AFRICA AS A CONTINENT** Factors that kept Africa unknown to the rest of the world. Factors that make Africa different from other continents. Continents neighbouring Africa. Water bodies neighbouring Africa.	Group work Guided discovery Excursion Excursion	Mentioning factors that make Africa different from other continents. Stating factors that kept Africa unknown to the rest of the world for a long time. Naming water bodies neighbouring Africa. Identifying continents neighbouring Africa in different directions.	Critical thinking Appreciation Creative thinking Observation Effective communication Fluency Accuracy	Map of Africa	MK standard social studies pupils book 7 Comprehensive SST pupils book 7 The precise pupils book 7

				LANGUAGE	SUBJECT							
	3			The learner: Reads the reads the given words correctly. Spells new words correctly. Reads the given sentences correctly.	Defines new terms like cape etc. Gives examples under each category of features. Defines features at the coast of Africa like bays etc.	Other features neighbouring Africa. Eg. Capes, gulfs, straits, isthmus, islands, peninsulas, bays Definitions and examples.	Group work Guided discovery Excursion Excursion	Defining new terms like cape etc. Giving examples under each category of features. Defining features at the coast of Africa like bays etc.	Critical thinking Appreciation Creative thinking Observation Effective communication Fluency Accuracy	World map	MK standard social studies pupils book 7 Comprehensive SST pupils book 7 The precise pupils book 7	
	4		LOCATION OF AFRICA USING LATITUDES AND LONGITUDES	The learner: Reads the reads the given words correctly. Spells new words correctly. Reads the given sentences correctly.	Define deferent groups of imaginary lines. Locates Africa using longitudes and latitudes.	Location of Africa using latitudes and longitudes.	Group work Guided discovery Excursion Excursion	Defining deferent groups of imaginary lines. Locating Africa using longitudes and latitudes.	Critical thinking Appreciation Creative thinking Observation Effective communication Fluency Accuracy	Map of Africa	MK standard social studies pupils book 7 Comprehensive SST pupils book 7 The precise pupils book 7	
	5		AFRICAN COUNTRIES.	The learner: Reads the reads the given words correctly.	Names African countries according to their regions. Defines enclaves. Gives examples of enclaves in Africa.	African countries Reasons why Ethiopia and Liberia were not colonised.	Group work Guided discovery Excursion Excursion	Naming African countries according to their regions. Defining enclaves. Giving examples of enclaves in Africa.	Critical thinking Appreciation Creative thinking Observation Effective communication	Political map of Africa.	MK standard social studies pupils book 7 Comprehensive SST pupils book 7
